

1 First: In draft 2.1, in Sec. 5, 30 V.S.A. § 8010, in subdivision (c)(1) on
2 page 34, strike subdivision (C) on lines 13-14 and insert in lieu thereof a new
3 subdivision (C) to read:

4 (C) to the extent feasible, ensures that net metering does not shift
5 costs included in each retail electricity provider's revenue requirement from
6 net metering customers to other customers;

7 Second: In draft 2.1, in Sec. 5, 30 V.S.A. § 8010, by inserting a new
8 subdivision (d) to read:

9 (d) Beginning in 2020, every three years the Board shall conduct a
10 workshop to review the net metering program under the requirements of
11 subsection (c) of this section and determine whether there should be revisions
12 to the rules adopted under this section and the implementing rate schedules.
